Message:

This and the documents following relate to S.N. 10/039,097. I am concerned that something has gone awry with this application because I should have gotten an action on the merits following the Request for Continuing Examination of February 17, 2004.

In response to our telephone call this morning, coming next on the fax is (1) an Amendment, Request for Continued Examination and Postcard dated February 17, 2004, and (2) an Amendment and Postcard dated May 11, 2004.

These Amendments were followed by Office Actions dated April 27, 2004 and August 23, 2004.

I would appreciate hearing from you.
